HLTAID003 - Provide first aid

About HINSW

At The Hospitality Institute of NSW we Aim HIGH in delivering quality education..... that inspires excellence.

The Hospitality Institute of NSW was created to bring Hospitality learning excellence and nationally recognised qualifications to Sydney's North West. If you want to empower your hospitality career, then you owe it to yourself to look over our course offerings and facilities.

At the Hospitality Institute of NSW we aim to inspire with our innovative learning approach and dynamic course offerings. Upon graduation we aim to deliver outstanding career opportunities to help you reach your goals, no matter how far and wide they may seem. The Hospitality Institute of NSW encourages students of all levels to learn as part of a thriving community and develop the skills they need to advance in their careers. We are 100% committed to delivering a first class learning experience which is evidenced in our state-of-the-art facilities and expert team of trainers.

The future of leading edge training starts now, and it's on your doorstep.

Aim HIGH

Course Info

This unit describes the skills and knowledge required to provide a first aid response to a casualty. The unit applies to all workers who may be required to provide a first aid response in a range of situations, including community and workplace settings.

Course Enrolment

Mode of Delivery:

Self-Paced – Students will be required to undertake activities outside of the classroom environment such as pre-reading and pre-course work book which form part of the course requirements.

Classroom – training will be delivered face to face within a classroom, following a session plan.

Course Fees:

\$110 per student/employee, payable upon enrolment and prior to course commencement.

Delivery Structure:

This training product will be delivered as follows:

Location: 17 Lexington Drive, Bella Vista NSW 2153

No of students per class – 10-15

Self-Paced: 6 hours (students read the learner guide and complete the review questions)

Classroom: 1 session of 8 hours, plus 1 hour of breaks

Total Hours: 14 hours

Pre-Requisites

Existing Skills and Knowledge:

Students are required to have the following skills and knowledge prior to enrolment:

- Reading and writing - a learner will be able to read, comprehend and write a range of texts within a variety of contexts.
- Oral communication - a learner will be able to use and respond to spoken language including some unfamiliar material within a variety of contexts.
- Numeracy and mathematics - a learner will be able to recognise and use a variety of conventions and symbolism of formal mathematics.

Selection Criteria:

The Hospitality Institute of NSW has identified that clients will need to meet the following entry requirements prior to course commencement.

- Over 18 years of age
- Due to the physical requirements of this unit the student must have the ability to perform CPR on a manikin on the floor.
- Students may have completed prior training and require refresher training as per regulatory requirements. A certified copy of the student's current certificate must be obtained as proof of prior competence. Refresher students must complete all aspects of the training and assessment activities.
- Willing to undertake an LLN Assessment upon enrolment and prior to course commencement

Assessment

Assessment Methods

Observation /Practical Skills:

A range of observation techniques have been included in the assessment tools to help identify the students' ability to demonstrate their competence against the performance criteria and assessment conditions. The assessor utilises the Observation Checklist to identify observable skills either during a practical assessment or the student demonstrates the skills on the job. of conventions and symbolism of formal mathematics.

Written:

A written assessment tool is provided to the student to gather evidence using a range of methods, these could include short answer questions, long answer questions, scenario based questions, or multiple choice.

Certification

Once a competent mark is awarded, learners will be issued with a Statement of Attainment for HLTAID003 Provide first aid. This Unit of Competency is Nationally Recognised Training from the HLT Health Training Package.

Certificates are emailed to students however hard copy is available upon request.

Recognition of Prior Learning

Students choosing to undertake RPL will need to be sent an RPL guide for their course. To request an RPL guide, please contact our team.
